

# Brian Setzer, Waitin' For Desiree

Tornados spin me around the rain beats on my face.  
Hurricanes ain't nothing baby a tidal wave can't quench my thirst.  
Don't you think that we all know your good looking pulled you through.  
I'm just sittin' here waitin' for Desiree.  
Drink of wine from a lovin' cup your face looks all messed up.  
I don't want to see you clear I like your picture hard to read.  
I know I should get out, but my mind's already made up.  
I'm just sittin' here waitin' for Desiree.  
I'm waitin' for Desiree.

The news is bad enough but it's the only station I can get.  
I turned the TV off but you ain't come on yet.  
You lead a sheltered life  
At least that's what I think  
Anytime that I get up  
Fix myself a drink  
Your voice come on right now  
And damn I missed you again.  
I'm just sittin' here waitin' for Desiree.  
I'm just sittin' here waitin' for Desiree.  
I'm just sittin' here waitin' for Desiree.  
I'm waitin' for Desiree.
