

# Britney Spears, Where are u now

Calling out your name  
Your face is everywhere  
I'm reaching out to you  
To find that you're not there  
I wake up every night  
To see the state I'm in  
It's like an endless fight  
I never seem to win  
I can't go on as long as I believe  
Can't let go when I keep wondering

:Chorus:

Where are you now, what have you found  
Where is your heart, when I'm not around  
Where are you now, you gotta let me know  
Oh baby, so I can let you go  
I can hear your voice  
The ring of yesterday  
It seems so close to me  
But yet so far away  
I should let it out  
To save what's left of me  
And close the doors of doubt  
Revive my dignity  
But, I can't go on as long as I believe  
Can't let go when I keep wondering

:Chorus:

Where are you now, what have you found  
Where is your heart, when I'm not around  
Where are you now, you gotta let me know  
Oh baby, so I can let you go  
I should let it out, it's time to let you go  
Oh baby, I just want to know

:Chorus:

Where are you now, what have you found  
Where is your heart, when I'm not around  
Where are you now, you gotta let me know  
Oh baby, so I can let you go
