

# Bruce Springsteen, Adam Raised A Chain

Sandy the fireworks are hailin' over Little Eden tonight  
Forcin' a light into all those stoned-out faces left  
stranded on this forth of July  
Down in town the circuit's full with switchblade lovers  
so fast so shiny so sharp  
As the wizards play down on Pinball Way on the boardwalk way past dark  
And the boys from the casino dance with their shirts open  
like Latin lovers along the shore Chasin' all them silly girls  
Sandy the aurora is risin' beh ind us  
The pier lights our carnival life forever  
Love me tonight for I may never see you again Hey Sandy girl  
Now the greasers they tramp the streets or get busted for  
trying to sleep on the beach all night  
Them boys in their spiked high heels ah Sandy their skins are so white  
And me I just got tired of hangin' in them dusty arcades  
bangin' them pleasure machines  
Chasin' the factory girls underneath the boardwalk where  
they promise to unsnap their jeans  
And you know that tilt-a-whirl down on the south beach drag  
I got on it last night and my shirt got caught  
And that Joey kept me spinnin' I didn't think I'd ever get off  
Oh Sandy the aurora is risin' behind us  
The pier lights our carnival life on the water  
Runnin' down the beach at night with my boss's daughter  
Well he ain't my boss no more Sandy  
Sandy the angels have lost their desire for us  
I spoke to 'em just last night and they said they won't  
set themselves on fire for us anymore  
Every summer when the weather gets hot they ride that road  
down from heaven on their Harleys they come and they go  
And you can see 'em dressed like stars in all the cheap  
little seashore bars parked making love with their  
babies out on the Kokomo  
Well the cops finally busted Madame Marie for tellin'  
fortunes better than they do This boardwalk life for me is through  
You know you ought to quit this scene too Sandy the aurora's rising behind us  
The pier lights out carnival life forever  
Oh love me tonight and I promise I'll love you forever
