

# Bruce Springsteen, Blood Brothers

We played king of the mountain out on the end  
The world come chargin' up the hill, and we were women and men  
Now there's so much that time, time and memory fade away  
We got our own roads to ride and chances we gotta take  
We stood side by side each one fightin' for the other  
We said until we died we'd always be blood brothers  
Now the hardness of this world slowly grinds your dreams away  
Makin' a fool's joke out of the promises we make  
And what once seemed black and white turns to so many shades of gray  
We lose ourselves in work to do and bills to pay  
And it's a ride, ride, ride, and there ain't much cover  
With no one runnin' by your side my blood brother

On through the houses of the dead past those fallen in their tracks  
Always movin' ahead and never lookin' back  
Now I don't know how I feel, I don't know how I feel tonight  
If I've fallen 'neath the wheel, if I've lost or I've gained sight  
I don't even know why, I don't know why I made this call  
Or if any of this matters anymore after all

But the stars are burnin' bright like some mystery uncovered  
I'll keep movin' through the dark with you in my heart  
My blood brother
