

# Bruce Springsteen, Devils & Dust

I got my finger on the trigger  
But I don't know who to trust  
When I look into your eyes  
There's just devils and dust  
We're a long, long way from home, Bobbie  
Home's a long, long way from us  
I feel a dirty wind blowing  
Devils and dust

I got God on my side  
And I'm just trying to survive  
What if what you do to survive  
Kills the things you love  
Fear's a powerful thing, baby  
It can turn your heart black you can trust  
It'll take your God filled soul  
And fill it with devils and dust

Well I dreamed of you last night  
In a field of blood and stone  
The blood began to dry  
The smell began to rise  
Well I dreamed of you last night, Bobbie  
In a field of mud and bone  
Your blood began to dry  
And the smell began to rise

We've got God on our side  
We're just trying to survive  
What if what you do to survive  
Kills the things you love  
Fear's a powerful thing, baby  
It'll turn your heart black you can trust  
It'll take your God filled soul  
Fill it with devils and dust  
It'll take your God filled soul  
Fill it with devils and dust

[Harmonica solo]

Now every woman and every man  
They wanna take a righteous stand  
Find the love that God wills  
And the faith that He commands  
I've got my finger on the trigger  
And tonight faith just ain't enough  
When I look inside my heart  
There's just devils and dust

Well I've got God on my side  
And I'm just trying to survive  
What if what you do to survive  
Kills the things you love  
Fear's a dangerous thing  
It can turn your heart black you can trust  
It'll take your God filled soul  
Fill it with devils and dust  
Yeah it'll take your God filled soul  
Fill it with devils and dust
