

# Bruce Springsteen, Fade Away

Well now you say you've found another man who does things to you that I can't  
And that no matter what I do it's all over now between me and you girl  
But I can't believe what you say  
No I can't believe what you say  
'cause baby

(Chorus)

I don't wanna fade away  
Oh I don't wanna fade away  
Tell me what can I do what can I say  
Cause darlin' I don't wanna fade away

Well now you say that you've made up your mind it's been such a long, long time since it's been go  
And that somewhere back along the line you lost your love and I lost your trust  
Now rooms that once were so bright are filled with the coming night, darlin'

(Chorus)

You say it's not easy for you  
And that you've been so lonely  
While other girls go out doing what they want to do  
You say that you miss the nights when we'd go out dancing  
The days when you and I walked as two  
Well girl I miss them too  
Oh I swear that I do  
Oh girl

Now baby I don't wanna be just another useless memory holding you tight  
Or just some other ghost out on the street to whom you stop and politely speak when you pass on  
Vanishing into the night  
left to vanish into the night  
No baby

(Chorus)
