## Bruce Springsteen, Further On (Up The Road)

Where the road is dark and the seed is sowed Where the gun is cocked and the bullet's cold Where the miles are marked in the blood and gold I'll meet you further on up the road

Got on my dead man's suit and my smilin' skull ring My lucky graveyard boots and song to sing I got a song to sing, keep me out of the cold And I'll meet you further on up the road.

Further on up the road
Further on up the road
Where the way dark and the night is cold
One sunny mornin' we'll rise I know
And I'll meet you further on up the road.

Now I been out in the desert, just doin' my time Searchin' through the dust, lookin' for a sign If there's a light up ahead well brother I don't know But I got this fever burnin' in my soul So let's take the good times as they go And I'll meet you further on up the road

Further on up the road Further on up the road Further on up the road Further on up the road

One sunny mornin' we'll rise I know And I'll meet you further on up the road One sunny mornin' we'll rise I know And I'll meet you further on up the road.
