

# Bruce Springsteen, Livin' In The Future

A letter come blowin' in on an ill wind  
Somethin' 'bout me and you never seein' one another again  
Yeah, well I knew it'd come, still I was struck deaf and dumb  
Like when we kissed, that taste of blood on your tongue

Don't worry, darlin'  
Now baby, don't you fret  
We're livin' in the future and  
None of this has happened yet  
Don't worry, darlin'  
Now baby, don't you fret  
We're livin' in the future and  
None of this has happened yet

Woke up Election Day, skies gunpowder and shades of gray  
Beneath a dirty sun, I whistled my time away  
Then just about sundown, you come walkin' through town  
Your boot heels clickin' like the barrel of a pistol spinnin' 'round

Don't worry, darlin'  
Now baby, don't you fret  
We're livin' in the future and  
None of this has happened yet  
Don't worry, darlin'  
Now baby, don't you fret  
We're livin' in the future and  
None of this has happened yet

The earth it gave away  
The sea rose towards the sun  
I opened up my heart to you  
It got all damaged and undone  
My ship Liberty sailed away on a bloody red horizon  
The groundskeeper opened the gates and let the wild dogs run

I'm rollin' through town, a lost cowboy at sundown  
Got my monkey on a leash, got my ear turned to the ground  
My faith's been torn asunder, tell me is that rollin' thunder  
Or just the sinkin' sound of somethin' righteous goin' under?

Don't worry, darlin'  
Now baby, don't you fret  
We're livin' in the future and  
None of this has happened yet  
Don't worry, darlin'  
Now baby, don't you fret  
We're livin' in the future and  
None of this has happened yet

None of this has happened yet  
None of this has happened yet  
None of this has happened yet  
None of this has happened yet
