Bruce Springsteen, Lonesome Day

Once I thought I knew
Everything I needed to know about you
Your sweet whisper, Your tender touch
But I didn't really know that much
Joke's on me, It's gonna be okay
If I can just get through this lonesome day

Hell's brewin' dark sun's on the rise This storm'll blow through by and by House is on fire, Viper's in the grass A little revenge and this too shall pass This too shall pass, I'm gonna pray Right now all I got's this lonesome day

It's allright? It's allright? It's allright

Better ask questions before you shoot Deceit and betrayals bitter fruit It's hard to swallow, come time to pay That taste on your tongue don't easily slip away

Let kingdom come I'm gonna find my way Through this lonesome day
