

Bruce Springsteen, Loose Ends

We met out on open streets when we had no place to go
I remember how my heart beat when you said I love you so
Then little by little we choked out all the life that our love could hold
Oh no

CHORUS

It's like we had a noose and baby without check
We pulled until it grew tighter around our necks
Each one waiting for the other, darlin', to say when
Well baby you can meet me tonight on the loose end

We didn't count tomorrows, we took what we could and baby we ran
There was no time for sorrow, every place we went I held your hand
And when the night closed in I was sure your kisses told me all I had to know
But oh no

CHORUS

Our love has fallen around us like we said it never could
We saw it happen to all the others but to us it never would
Well how could something so bad, darling, come from something that was so good
I don't know
