## Bruce Springsteen, Roll Of The Dice

Well Ive been a losin gambler Just throwin snake eyes Love aint got me downhearted I know up around the corner lies My fools paradise In just another roll of the dice

All my elevens and sevens been comin up Sixes and nines But since I fell for you baby Been comin on changin times Theyre waitin over the rise Just another roll of the dice

Ive stumbled and I know I made my mistakes But tonight Im gonna be playin for all of the stakes

Well its never too late so come on girl The tables are waiting You and me and lady luck well tonight Well be celebrating Drinkin champagne on ice In just another roll of the dice

High-rollers lay down your bets and III raise em Well I know the odds aint in my favor

Maybe Im just a clown throwin down Lookin to come up busted Im a thief in the house of love And I cant be trusted Well III be makin my heist In just another roll of the dice Just another roll of the dice Move on up Come on seven Roll me baby In this fools heaven
