

# Bruce Springsteen, Spirit In The Night

Crazy Janey and her mission man were back in the alley tradin' hands  
`Long came Wild Billy with his friend G-man all duded up for Saturday night  
Billy slammed on his coaster brakes and said anybody wanna go on up to Greasy Lake  
It's about a mile down on the dark side of Route 88  
I got a bottle of rose so let's try it  
We'll pick up Hazy Davy and Killer Joe and I'll take you all out to where the gypsy angels go  
They're built like light  
And they dance like spirits in the night (all night) in the night (all night)  
Oh you don't know what they can do to you  
Spirits in the night, in the night  
Stand up now and let it shoot through you  
Well now Wild Billy was a crazy cat and he shook some dust out of his coonskin cap  
He said &quot;Trust some of this it'll show you where you're at or at least it'll  
help you really feel it&quot;  
By the time we made it up to Greasy Lake I had my head out the window and Janey's fingers in the  
I think I really dug her `cause I was too loose to fake  
I said &quot;I'm hurt&quot; she said &quot;Honey let me heal it&quot;  
And we danced all night to a soul fairy band  
And she kissed me just right like only a lonely angel can  
She felt just right just like as sweet as a spirit in the night  
In the night baby don't know what she do to you  
Spirits in the night, in the night  
Stand up now and let her shoot right through you

Now the night grew bright and the stars threw light in Billy and Davy  
Dancin' in the moonlight  
We were down near the water in a stone mud fight  
Killer Joe'd passed out on the lawn  
Well Hazy Davy got really hurt he crawled into the lake in just his socks and a shirt  
Me and Crazy Janey were makin' love in the dirt singin' our birthday songs  
Janey said &quot;Hey little brother don't you think it's time now we go&quot;  
So we closed our eyes and said goodbye to gypsy angel row felt just right  
Together we moved like spirits in the night, all night  
Baby don't know what it do to you  
Spirits in the night, all night  
Stand up now and let it shoot right through you
