

# Bruce Springsteen, The Long Goodbye

My soul went walkin but I stayed here  
Feel like I been workin for a thousand years  
Chippin away at this chain of my own lies  
Climbin a wall a hundred miles high  
Well I woke up this morning on the other side  
Yeah yeah this is the long goodbye  
Hey yeah this is the long goodbye

Same old faces its the same old town  
What once was laughs is draggin me now  
Waitin on rain hangin on for love  
Words of forgiveness from some God above  
Aint no words of mercy comin from on high  
Oh no just a long goodbye  
Yeah yeah just one long goodbye

Well I went to leave twenty years ago  
Since then I guess I been packin kinda slow  
Sure did like that admirin touch  
Guess I liked it a little too much

The moon is high and here I am  
Sittin here with this hammer in hand  
One more drink oughta ease the pain  
Starin at that last link in the chain  
Well lets raise our glass and let the hammer fly  
Hey yeah this is the long goodbye  
Hey yeah this is the long goodbye  
Kiss me baby and were gonna fly  
Hey yeah this is the long goodbye  
Yeah yeah this is the long goodbye  
Hey yeah this is the long goodbye  
Kiss me baby cause were gonna ride  
Yeah yeah this is the long goodbye
