

Bruno Mars, Finesse (Remix) [Feat. Cardi B]

[Feat. Cardi B]

drop top Porche
rollie on my wrist
diamonds up and down my chain
Cardi B – straight stunting
can tell me noting
bossed up and I changed the game (you see me)
it's my big Bronx boogie
my big, fat ass got all them boys hooked
I went from dollar bills
no we popping rubber bands
Bruno sang to me whole I do my money dance like
Aye, flexing on the gram like, aye!
Hit the Lil Jon, ok?
We dripping in finesse,
getting paid, ow!

don't we look good together
there's a reason why they watch all night long
I know we'll turn heads forever
so tonight I'm gonna show you off

when I'm walking with you
I watch the whole room change
baby that's what you do
no my baby, don't play
blame it on my confidence
oh, blame it on your measurements
shut that shoot down on sight
that's right

we out here dripping in finesse
it don't make no sense
out here dripping in finesse
you know it /2x
we out here dripping in finesse
it don't make no sense
out here dripping in finesse
you know it /2x

no slow it down for me baby
cause I love the way it feels when we grind
our connection's so magnetic on the floor
nothing can stop us tonight

when I'm walking with you
I watch the whole room change
baby that's what you do
no my baby, don't play
blame it on my confidence
oh, blame it on your measurements
shut that shoot down on sight
that's right

[Bruno Feat. Cardi B]

If you're on one like me in mind
