Bryan Adams, I'll Always Be Right There

I swear to you - I will always be there for you there's nothin' I won't do I promise you - all my life I will live for you - we will make it through Forever - we will be Together - you and me Oh n' when I hold ya - nothin' can compare With all of my heart - ya know I'll always be - right I believe in us - nothin' else could ever mean so much You're the one I trust our time has come - we're not two Now - we are one - ya you're second to none Forever - we will be Together - a family The more I get to know ya - nothin' can compare With all of my heart - ya know I'll always be - right there

Forever - we will be
Together - just you and me
The more I get to know ya - the more I really care
With all of my heart - ya know I'll always be...
Ya know I really love ya - ya nothin' can compare
For all of my life - ya know I'll always be - right
there
