

Bryan Adams, I've Been Looking For You

I know it might sound crazy
Ever since I was a baby
I've been lookin' for you

Sometimes I got to wonder
What rock have I been under
I've been lookin' for you

One day - you wake up and it's too late
Y'know if I had my way
I'd never wanna let you go

You make it seem so easy
You made my day believe me
I've been lookin' for you

I might be a little older
C'mon lean on my shoulder
I've been lookin' for you

One day - you wake up and it's all changed
Y'know if I had my way
I'd never wanna let you go

It's true I hardly know ya
I gotta a few moves I could show ya
I've been lookin' for you

I know it might sound crazy
Ever since I was a baby
I've been lookin' for you

Sometimes I got to wonder
What rock have I been under
I've been lookin'
I've been lookin'
I've been lookin' for you
