

Bryan Adams, It Ain't A Party - If You Can't Come

Hey it ain't a party - If you can't come round.
Yeah!

You can drive the car - I'll play my old guitar,
Come back to me - Come back to me,
We can get some beer - Yeah lets get outta here,
Come back to me - Come back to me.

We'll find a place to go,
No one will ever know,
Somewhere thats outta town,
Put a blanket on the ground,
Baby - And we can really go crazy,

Babe it ain't a party,
If you can't come 'round,
Can't even get started,
If you don't come down,
Hey - Even Saturday - Ain't a holiday - If you stay away,
No, No - It ain't a party,
If you can't come 'round - That's right.

Slip into something tight - We'll slip into the night,
Come back to me - Come back to me,
We'll see the sun go down - And maybe fool around,
Come back to me - Come back to me,
Yeah we can start a fire - Maybe get a little higher,
Don't worry what to bring - 'Cause we got everything baby,
And we can really go crazy.

Babe it ain't a party,
If you can't come 'round,
Can't even get started,
If you don't come down,
Hey - Even Saturday - Ain't a holiday - If you stay away,
No, No - It ain't a party,

Guitar Solo
(I'm talkin party)

Oh, Hey - Even Saturday - Ain't a holiday - If you stay away,
No - It ain't a party - Ohh,
If you can't come around - No way,
Can't even get started - Can't get started,
If you can't come down - Oh yeah,
'Cause even saturday - Ain't a holiday - Ohh yeah,
No - It ain't a party - Ohh,
If you can't come 'round.
