

# Bryan Adams, Nothing I've Ever Known

Right now I feel - just like a leaf on a breeze  
Who knows where it's blowin'  
Who knows where it's goin'  
I find myself somewhere I - I never thought I'd be  
Going round in circles  
Thinking about you and me  
How do I explain it when I don't know what to say  
What do I do now - so much has changed

Nothing I have ever known - has made me feel this way  
Nothing I have ever seen - has made me want to stay  
but here I am - ready for you  
I'm turnin', I'm fallin' - I hear my home callin'  
Hey - I've never felt somethin's so strong - oh no  
It's like nothing I've ever known

Now you're the one I'm looking for  
You're the one I need  
You're the one that gives me - a reason to believe  
Following a star - has lead to where you are  
It feels so strong now - this can't be wrong now
