Bryan Adams, On A Day Like Today

Free is all you gotta be dream dreams no one else can see sometimes ya wanna run away but ya never know what might be comin' round your way ya ya ya

On a day like today the whole world could change the sun's gonna shine shine thru the rain on a day like today ya never wanna see the sun go down ya never wanna see the sun go down

Somewhere - there's a place for you I know that you believe it too sometimes if you wanna get away all ya gotta know is what we got is here to stay all the way

On a day like today - the whole world could change the sun's gonna shine - shine thru the rain on a day like today - no one complains free to be pure - free to be sane on a day like today ya never wanna see the sun go down ya never wanna see the sun go down

Free is all we gotta be dream dreams no one else can see but ya never know what might be comin' for you and me ya it's gonna be

on a day like today...
