

# Bryan Adams, Rock Steady

You need a man that'll treat you like the woman you are  
Those little boys are just fooling around with your heart  
Whatcha gonna do now that you're all alone?

You need a rock not a rollin' stone  
Yeah so when a boy  
just ain't enough  
You need a man made of stronger stuff  
Get ready  
Rock steady all night long

Rock steady till the light of dawn  
Slow and easy tried and true  
Rock steady  
Just me and you

You need somebody who will help you with your heavy load  
Well I've been there baby  
Lord give me a rock and roll  
Well I can bend but I won't break  
cause you ain't got what I can take  
So when you're tired of those little girls  
you want a woman that'll rock your world  
Get ready

Rock steady all night long  
Rock steady till the light of dawn  
Slow and easy tried and true  
Rock steady  
Just me and you

Amateurs and dilettantes  
They can't give you what you really want  
When all the other have been untrue  
I'll give you something you can hold on to  
Rock steady all night long  
Rock steady till the light of dawn  
Slow and easy tried and true  
Rock steady  
Just me and you
