

Bryan Adams, Shine A Light

you're born in a small town
always has dreams bigger than your brother
hit the road when they fall down
make a decision, got for your guts

big city line
fast line, different time
you've never forgotten your roots

back in town
belly's butterflies
.baby I don't forget about you

Shine A Light
Shine A Light
Shine A Light
Shine A Light
Shine A Light
everyone you go
Shine A Light
Shine A Light
Shine A Light
Shine A Light
Shine A Light
everyone you go
Shine A Light
Shine A Light

you used to ...
each time you made up the other side
because you open the fall down
cas ... never be afraid to cry

big city line
same thing, different time
you've never forgotten your roots

back in town
mamma's ...
.baby I don't forget about you

Shine A Light
Shine A Light
Shine A Light
Shine A Light
Shine A Light
everyone you go
Shine A Light
Shine A Light
Shine A Light
Shine A Light
Shine A Light
everyone you go
Shine A Light
