## Bryan Adams, Shine A Light

you're born in a small town always has dreams bigger that your brother hit the road when the fall down make a decisions got for your guts

big city line fast line, different time you've never forgotten your roots

back in town belly's butterflies .baby I don't forget about you

Shine A Light
everyone you go
Shine A Light
Everyone you go
Shine A Light
Shine A Light

you used to ...
each time you made up the other side
because you open the fall down
cas ... never be afraid to cry

big city line same thing, different time you've never forgotten your roots

back in town mamma's ... .baby I don't forget about you

Shine A Light
everyone you go
Shine A Light
Shine A Light
