

# bryska, Samba

Um, dois, três (YouNotUs)  
I dropped my worries on the floor tonight  
Like a dress I'm not gonna wear (Gonna wear)  
Move around me, your body's a satellite  
I bet you burn up in my atmosphere  
Yeah, you want me comin' closer  
Got your heart beatin' faster  
But, baby, can you take the heat? Mm-mm  
Tonight, we sweat 'til the break of day  
And I'll be dancin' your breath away  
Yeah, I'm the one to show you how to move  
One, two, you gotta feel it too  
If you wanna samba  
Yeah, I'm the one to say how to groove  
One, two, you gotta feel it too  
If you wanna samba  
I could be yours if you can handle me  
But I need more than just an attitude (attitude)  
I'm takin' off, so put your hands on me  
'Cause I know that's what you came to do  
Yeah, you want me comin' closer  
Got your heart beatin' faster  
But baby, can you take the heat? Mm-mm  
Tonight, we sweat 'til the break of day  
And I'll be dancin' your breath away  
Yeah, I'm the one to show you how to move  
One, two, you gotta feel it too  
If you wanna samba  
Tonight, we sweat 'til the break of day  
And I'll be dancin' your breath away  
Yeah, I'm the one to show you how to move  
One, two, you gotta feel it too (yeah, yeah)  
If you wanna samba  
Pokaż mi dziś zachód słońca  
Nie seriale na Netflixie  
Boję się, że o dwunastej  
Czar tej nocy w końcu pryśnie  
Spotkaj ze mną się nad Wisłą  
I samba!  
Tonight, we sweat 'til the break of day  
And I'll be dancin' your breath away  
Yeah, I'm the one to show you how to move  
One, two, you gotta feel it too (one, two, one, two)  
If you wanna samba
