

# Buck-O-Nine, Full Metal Bree

maybe you would like me better  
if i had a bank account  
and an argyle sweater  
ive listened to you talk  
you say your life is a bore  
first you got your silver spoon  
and now you want more

im the kind of guy  
who takes life as it goes  
on numerous occasions  
ill be pickin my nose  
i sometimes take a bath  
but try not to over do it  
i dont like to read books  
and when i do i just flip thru it

im not a vegetarian  
i like to eat red meat  
i seldom wear a shirt and tie  
or shoes on my feet  
i know i dont have money  
and my bank account is low  
and when i take a girlie out  
its taco bell we go
