

# Buckethead, Rooster Landing/lime Time

They took my chickens away  
They took my chickens away today  
And I'm sad  
What do I do?  
They took my chickens away  
Now they're gonna pay  
'Cause I'm gonna get them in their sleep  
And I'm gonna make them weep  
They took my chickens away  
They took my chickens away  
They took my chickens...away  
He works on the farm  
He makes fun of me  
But that's the last time you will see  
'Cause I'm gonna use him  
For something that he wouldn't understand  
I'm gonna dress his body out  
I'm gonna put him in my cam  
I'm gonna use his face for a mask  
I'm gonna use his body for a lamp  
Play in the garden  
That's where I dig  
All my bodies are buried  
Let's play in my garden  
That's where I dig  
About my bodies  
Won't you look down in that hole  
Further down look  
Keep looking, keep lookin'  
Ugh, tsch tsch tsch tsch tsch tsch...  
There's another body in my garden  
I can put 'em all down in the hole and look at them  
Lime time  
Time to put some lemon  
It's lime time  
Lime time  
Lime time  
Lime time  
Lime time  
Lime time  
Doesn't smell so bad  
Doesn't smell bad  
I see  
Doesn't smell bad anymore  
It doesn't  
It doesn't smell  
It...It doesn't...It doesn't...It doesn't
