

# Bullet For My Valentine, Your Betrayal

Am I going insane?  
My blood is boiling inside of my veins  
An evil feeling attacks  
My body's shaking, theres no turning back  
Don't take your eyes off the trigger  
I'm not to blame of your world turns to black  
As your eyes start to blister  
Theres just no hope for our final embrace

So here we are...  
I'm in your head...  
I'm in your heart!

You were told to run away  
Soak the place, and light the flame  
Pay the price for your betrayal  
Your betrayal, your betrayal!

I was told to stay away  
Those two words I can't obey  
Pay the price for your betrayal  
Your betrayal, your betrayal!

Is it my turn to die?  
My heart is pounding as I say goodbye  
So now I dance in the flames  
I love you crying and screaming my name  
You said that we'd be forever  
How could you kill me and lie to my face?  
Now that we can't be together  
There's just no hope for our final embrace

So here we are...  
I'm in your head...  
I'm in your heart!

You were told to run away  
Soak the place, and light the flame  
Pay the price for your betrayal  
Your betrayal, your betrayal!

I was told to stay away  
Those two words I can't obey  
Pay the price for your betrayal  
Your betrayal, your betrayal!

GO!!!

So here we are (so here we are)  
I'm in your head (I'm in your head)  
I'm in your heart!!!

You were told to run away  
Soak the place, and light the flame  
Pay the price for your betrayal  
Your betrayal, your betrayal!

I was told to stay away  
Those two words I can't obey  
Pay the price for your betrayal  
Your betrayal, your betrayal!
