

Busted, Let It Go

Ringin starts, on my phone,
Youre talking with, a scary tone,
You tell me that, youre all alone,
The aliens, are in your home.

Let it go.
Let it go.
Let it go.

Pull the bed covers over your head,
If you let them win then youre better of dead.
Let it go.
Pull the bed covers over your head,
If you let them win then youre better of dead.

Let it go.
