

Cam'ron, Get Em Girls

[Cam'Ron]

I get the boasters boasting, I get computers puting
Y'all get shot at, call me, I do the shooting
I do the recruiting, I tutor the students
I nurture they brain, I'm moving the movement
Whether buddist or budah, that's judist or juda
I got luger to ruger, hit from +Roota to Toota+
Chick from hooter to hooter, I put two in producers
I'm the real boss story, the hooper of hoosiers
I rock mostly dolce, I roll mostly doly
I'll leave you wholly, holy, you'll say "Holy Moly"
Here come the coroner get 'em, play "Rolly Poley"
I'll tell you true stories, how I coldly hold heat
When it's repping time, I get on extra grind
Fried to fricassee, pepperseed to pepperdine
Jeff Hamilton, +Genesis+, leather time
Bitches say I'm the man, I tell 'em "Nevermind"

[Chorus]

They getting nice, they got some ice
Let's get the dice and roll 'em (get 'em girls)
They getting chips, they flippin' bricks
Get the Rots and Pits, tell 'em (get 'em girls)
See acting fiesty, getting shiesty
Call her wifey, tell her (get 'em girls)
Just lay back, get your face slapped
We at the race track, eight stacks (get 'em girl)

[Cam'Ron]

But proceeded to moon me (I'm getting money nigga)
Baby, BS in honey do, Cam, VS 1 and 2
I'll help you get your son out of P.S. 22
Get him a maury flow, from the maury show
F**k around, y'all gonna be up on the Maury Show
He in bootcamp, you on food stamps
Welfare, no healthcare, a true tramp
And I'm lockey, lockey, leave you pokey, pokey
No Rice a Roni, that's the Okey, Dokey
Me and Toby homie, make you do the hokey pokey
Pull the pound, up and down, turn yourself around shorty
Here's some weed, burn yourself a pound who'ie
Here's a map, go load yourself a town, sporty
I was down forty, now I'm up fifty
Buck fifty, buck quickly, who could f**k with me?
Killa

[Chorus]

They getting nice, they got some ice
Let's get the dice and roll 'em (get 'em girls)
They getting chips, they flippin' bricks
