

Canibus, King Of Sorrow (U Didn't Care Remix)

(feat. Sade)

[lightning and thunder]

[Whisper]
King Of Sorrow

[Female]
Yea, Yea, Yea, Yea, Yeah... Sorrow

[Canibus]
Whattup Em?
It's ya biggest fan
It's not even necessary to introduce who I am by now, cuz we're good friends
Remember the letter I wrote
Before Atlanta on Up In Smoke
That's the day I was gonna cut ya throat
I guess my watch was broke -- cuz by the time I woke
I seen my watch was twelve hours late and I missed the show
But none the less I'm glad that I finally reached you
Ever since the accident I've been dying to speak to you
To tell you things have changed
And I'm a different man
A different level of understanding
I'm a different Stan
Things are a lot better
I promise I won't harrass you with any letters
Saying things like "We should be together"
I meant we should start a group
The industry's full of homosexuals Slim
But I don't wanna touch you
I got a new attitude, really, I ain't mad at you
I just wanted you to recognize I got talent too

When I say talented, I don't mean battle Slim
I mean storytelling, kinda like how your album is
I been attending counselin and taking medicine
They did some tests on me at NIH in Maryland
They showed me techniques to help me deal with pressure
Whenever I remembered that crazy night when I was being reckless
Drivin with a deathwish
On the bridge and I crashed into a Lexus
Right before I finished that last sentence
I was listening to Xzibit's album "Restless"
The next thing I knew I was under water and breathless
I was unconscious for a second
Literally dying to go to heaven

Till some fellas came and pulled me from the wreckage
They started CPR, then they called the paramedics
In retrospect I probably shoulda used a gun to end it
By the time the car sunk
My pregnant girlfriend was still in the trunk
And I was still feelin kinda drunk
The ambulance came and they put me on the stretcher
Hooked me up to the IV and checked my blood pressure
One of them was so concerned that they wouldn't leave
He hopped in the back of the ambulance and rolled up some trees
My vision was blurry, I couldn't really see
I just remember his voice talking to me
In the emergency room
I needed surgery to get some glass removed
And fifty stitches for my wounds

[Chorus]

[Sade Singing]

After a couple months of therapy

I figured I was as ready as I'd ever be

I wanted to be an emcee

He took me to shows wit him

He let me flow wit him

He let me write some rhymes and go on tour wit him

I really believed in him

I decided to team wit him

And now I'm overseas wit him, gettin cheese wit him

And I'm MC'ing wit him

I'm havin the best time of my life

And I'm writin the best rhymes of my life ([both:] rhymes of my life)

He introduces me to people as his lyrical equal

Let me write a rhyme on his album and even produce a beat too

He ain't see-through

I can't see him frontin

He's not the type to call you just because he needs something

That's what I like about him

I wouldn't want to rock a mic without him

He's got cajones and he's not a coward

Matter-a-fact, I think he met you

It was the day you came to his video shoot with DJ, Jimmy's nephew

'Clef stepped to him and told him he should step to you

That you was ghost writin for L, but that wasn't true

You was lookin at him the same way I'm lookin at you

Why can't we be friends Em'?

I don't want nothin from you

You see there's a little bit of Stan in all of us

Tell me where you think all of these record sales spawn from

Talkin 'bout Britney and Christina Aguilera

Nsync too, have you ever looked in a mirror?

Your hair ain't really blonde, and ya eyes ain't blue

So never diss me, cuz when you diss me your dissin you.

[Chorus]

[Sade Singing]

Sorrow... yea, yeah

Sorrow..

[Both]

You Didn't Care

[Sade]

King Of Sorrow... no

Of Sorrow..

[Both]

You Didn't Care

[Sade]

King Of Sorrow... said you didn't care, you didn't care

You didn't care, You didn't care

[Canibus]

Why didn't you care?

[Sade]

Sorrow..

[Both]

You Didn't Care

[Sade]

King Of Sorrow... no, no, no
