(Canibus)

I was taught my heart was my brain in my past life  
I was thrashed in a fight over my passion for the mic  
Risked the ultimate sacrifice to rhyme, asking Christ, why?  
He replied passions like mine have a price  
They will grab you if you grab the mic  
Try to squeeze the life from you, take away your life  
There's only one way to fight, zero gravity device  
Turn it on, impale them on stalactites and stalagmites, alright?  
I was hyped, he told me that every word I recite  
Symbolically represents the whole world's kryptonite  
Including but not limited to spitting in the booth  
Spit the truth, tell the leadership to listen to the troops  
The leadership bleeds blue, we bleed red  
In the end the only thing we can agree on is death  
I beg you to get it together  
To truly be clever you gotta be able to think ahead and remember  
'Cause most of us have forgotten where we came from  
Turned a blind eye to the energy that made us  
I ain't the same Canibus I was  
But I still get busy cause that's what Canibus does  
The rhymes are relevant they optimize your development  
Food for thought beverages should be free but they keep selling it  
The mixtape comes out today, announce the date  
The potato gets off his couch to wait  
Cause he knows something wicked his way comes  
They can hear the sound of the war drum, Canibus save them!  
I can't save you, but you can save yourself  
We can save each other, I just came to help  
The event you can't prevent no matter how much you spend  
Your catalog remains thin no matter how much you pen  
I stand with my men, looking at the flag draped coffins again  
Crying, justifying what I did  
But there's no excuse cause nobody will ever know the truth  
I will never get over the abuse, fuck you!...  
I gotta keep Hip Hop open, if they close it I'm homeless  
If I lose it I'm broken, if I disown it I'm hopeless  
I am a hopeless romantic Trans-Atlantic pimp in the pacific  
Sticking dick to Los Angeles bitches  
Bitch please, be my guest  
Shot her in the head while she slept  
What would she dream about next?  
I'm a maniac nigga so fuck rap nigga  
Biggerexia anxiety attack nigga  
If you're loyal I'll murder for you  
You disloyal I'll destroy you  
The Rhodesian Ridgeback will turn on you  
Keep Hip Hop alive if you don't we die  
We includes me, you, K-Solo and Nas  
Keep Hip Hop open cause if they close it I'm homeless  
If I lose it I'm broken, if I disown it I'm hopeless, focus
