

Canibus, Reebok Commercial Part 2

Beware, if e equals mc squared
Than a.i. equals ankles in intensive care
The answer keeps you glued to the ground suspended in air
The answer to every prayer for every player everywhere
Try to compare
Try to block the shot if you dare
You get the best seat in the house, it's called the wheelchair

The math ? umopis? , you should be a reebok owner
Killer crossovers split opponent's in half like mooses
All contenders are left defenseless
They end up in hospital beds with swollen tendons, takin' anit-depressants
They can't seem to deal with them pressure
I came to give you this message
I got the ammo for your weapons, and the answer for your question /
