

# Cardi B, Foreva

[Chorus]

Ran down on that bitch twice  
Ran down on that bitch twice  
You know me, I be with whatever  
If a bitch beef with me, we gon' beef forever  
Ran down on that bitch twice  
Ran down on that bitch twice  
You know me, I be with whatever  
If a bitch beef with me, we gon' beef forever

[Verse 1]

W—W—Why you always tryna run and hide? (Why?)  
Always have my name up in your mouth, you outta line  
You gon' make me pop up at your door like "surprise" (Hi)  
Like "come outside, lil' bitch, come outside"  
Never by my lonely, got my niggas by my side  
And all my niggas skrr skrr, yeah, they down to ride  
Yeah, my bitches go to work; I'm talking 9 to 5 (Work)  
The streets want to fuck around you won't stay alive  
Your mouth can cost you, and I'll make sure that you pay the price  
So don't be lackin' when you comin' home from work at night  
You run your mouth; I'm poppin' out, now it's on sight  
You—You—You gon' be just like my pussy: hella tight  
A ho can hate, but don't be fucking with my commas (No)  
And if she is, I'll shape her up and she gon' get the line up  
Can't be starting all these problems if you cannot solve 'em (Don't do that)  
Cardi backing down, I swear to God, that's not an option

[Chorus]

Ran down on that bitch twice  
Ran down on that bitch twice  
You know me, I be with whatever  
If a bitch beef with me, we gon' beef forever  
Ran down on that bitch twice  
Ran down on that bitch twice  
You know me, I be with whatever  
If a bitch beef with me, we gon' beef forever

[Verse 2]

Some bitches claim they with the shit, but they ain't with a thing  
I spin the block, come around like a boomerang  
Silence, silence, I don't hear a thing  
Worry 'bout me, but your pussy smell like turtle tank  
I pull up on that check, nothing less, that's all I do  
T—T—Ten bands, fifty bands, ain't nuttin' new  
I see some people who still worried 'bout my revenue (Why you worry?)  
I'm eating good, you wish you could, don't worry about my food  
And niggas hating on a female, ain't no way to live (Lil bitch)  
You bitch-made, make me wonder if you got a dick (Lil bitch)  
How you feeling like a man envying a chick? (Pussy)  
Wake up and go get some money, go and find your niche (Get that money)  
Silly motherfucker (Silly,) who raised you? (Who raised you?)  
A nigga with a pussy? How disgraceful (Oh my God)  
I have my hitters come, and duct tape you  
And your bitch could get it too, double date, boo  
So let's get it, so let's get it, so let's get it  
Let's not waste a minute; you clearly started, so let's finish  
I don't do forgiveness; they take your kindness for a gimmick  
I'm just here for business, I'm running down and I'm with it, bap

[Chorus]

Ran down on that bitch twice  
Ran down on that bitch twice  
You know me, I be with whatever  
If a bitch beef with me, we gon' beef forever

Ran down on that bitch twice  
Ran down on that bitch twice  
You know me, I be with whatever  
If a bitch beef with me, we gon' beef forever
