

Carlos Lyra, Most Beautiful Thing

Most beautiful thing
In the world is you
The loveliest thing I know
I dont even know
Whyyou?

Youre lovelier than a bird
As it soars and sings
More than a flower
That blooms in spring
Or the aroma
Of a woman
Turned to love
Or the heart
Of mother nature
In its purest form of art

For miracles
Like you
Dont exist on earth
Neither in heaven above
And love
Not even love exists
