

Carly Rae Jepsen, Party For One

if you didn't know that you were right for me
then there's nothing I can say
tried call you up to spans some time to see
but somebody's in your way

tired to let it go and say I'm over you
I'm not over you
but I am trying

party for one
if you don't care about me
I will just dance by myself
back on my beat

I'll be the one
if you don't care about me
making love to myself
back on my beat

you don't want my love
if you don't care about me
I will just dance by myself
back on my beat

party for one
if you don't care about me
making love for myself
back on my beat

once upon a time
I thought you wanted me
where there no one else to kiss
was it all a dream
I let myself believe
I am not over this

but I am trying

party for one
if you don't care about me
making love for myself
back on my beat

I'll be the one
if you don't care about me
making love to myself
back on my beat

you don't want my love
if you don't care about me
I will just dance by myself
back on my beat
