

# Carmen Consoli, Amado Mio

Amado mio, love me forever  
and let forever begin tonight  
when we're together, amado mio  
I don't care whether it's from the right  
Many times I've whispered

Amado mio  
it was just a phrase  
that I heard in plays  
I was acting a part  
But now when I whisper

Amado mio  
can't you tell I care  
by the feeling there  
for it comes from my heart
