

# Cash Cash, Michael Jackson (The Beat Goes On)

Even though  
The king is gone  
The beat goes on and on  
Even though  
The king is gone  
The beat goes on and on  
Even though  
The king is gone  
The beat goes on and on  
Even though  
The king is gone  
The beat goes on and on

Michael Jackson

Michael Jackson  
Michael Jackson

Don't stop till we get enough  
You's a pretty young thing and I'm dangerous  
It don't matter if you're black or white  
Gotta come together working day and night  
So get, get, get on the floor  
We invincible, we unbreakable, yeah  
Nonstop till the break of dawn  
Wanna rock with you so get off the wall

Even though  
The king is gone  
The beat goes on and on  
That's right  
Even though  
The king is gone  
The beat goes on and on  
C'mon, c'mon  
Right now  
The king is gone  
But the beat goes on and on  
Let me hear you say  
Even though  
The king is gone  
The beat goes on and on

Michael Jackson  
Michael Jackson

Dance all night  
Lose your mind  
One more time  
Even though the king is gone  
Dance all night  
Lose your mind  
One more time  
The beat goes on and on, yeah  
Dance all night  
(The king is gone)  
Lose your mind  
(The beat goes on)  
One more time  
Even though the king is gone  
Dance all night  
(The king is gone)  
Lose your mind  
(The beat goes on)

One more time  
The beat goes on and on, yeah

Even though  
The king is gone  
The beat goes on and on  
C'mon sing it with me  
Even though  
The king is gone  
The beat goes on and on  
A little louder  
Even though  
The king is gone  
The beat goes on and on  
I can't hear you  
Even though  
The king is gone  
The beat goes on and on

You plant a seed and it grows into something beautiful  
And it never dies really  
I think people should be that way
