

Cate Likes Candy, Crash

a perfect life
just you and me
it's seems like a dream
so beautiful
that it couldn't be

and teh ewerything chnaged
you crew me in so many way

ih, i just just don;t care

and then i crush
all just came down
i never could see
what you want to me
and never could be
and last
y'all turn around
it's your time to feel
you know what it's like
to be broken and so clash

yopu needed me
you call me ideal
when i neede you
it is like you didin;t care

i did my best
and you couldn't love me best
i thought you change
all i feel is hate

and then i crush
all just came down
i never could see
what you want to me
and never could be
and last
y'all turn around
it's your time to feel
you know what it's like
to be broken and so clash
