

# Catz 'N Dogz vs Zalewski, You

You tell yourself  
That this is ok  
You tell yourself  
That this is ok  
no, it's not a cage!

How many Times you wonder?  
Where are you in this match  
You let everyone walk over you  
Till you don't know where you stand

How many Times you wonder?  
How much more pain you take  
You let everyone walk over you  
Till you don't know where you stand

You tell yourself  
That this is ok  
You tell yourself  
That this is ok  
no, it's not a cage!
