

# Celine Dion, "Have You Ever Been In Love" By C

Have you ever been in love?  
You could touch the moonlight  
When your heart is shooting stars  
You're holding heaven in your arms  
Have you ever been so in love?  
Have you ever walked on air?  
Ever felt like you were dreamin'  
When you never thought it could  
But it really feels that good  
Have you ever been so in love?  
Have you ever been in love?  
You could touch the moonlight  
When your heart is shooting stars  
You're holding heaven in your arms  
Have you ever been in love, have you?  
The time I spent  
Waiting for something that was heaven-sent  
When you find it don't let go, I know  
Have you ever said a prayer  
And found that it was answered?  
All my hope has been restored  
And I ain't looking anymore  
Have you ever been so in love, have you?  
Some place that you ain't leavin'  
Somewhere you're gonna stay  
When you finally found the meanin'  
Have you ever felt this way?  
The time I spent  
Waiting for something that was heaven sent  
When you find it, don't let go, I know  
'Coz have you ever been so in love, so in love?  
You could touch the moonlight  
You can even reach the stars  
Doesn't matter near or far  
Have you ever been so in love?  
I said  
Have you ever been in love?  
Have you ever been in love?  
So in love
