

# Celine Dion, The Reason I Go On

When I'm feeling down the mention of your name  
It lifts my spirit up  
It makes me carry on when I don't have the strength  
Your faith can heal me  
Like the sun that shines  
You give me light to see  
Catch me 'cause I'm falling, I'm so lost inside your love  
Can you hear me calling to your heart?  
'Cause you're the one, the reason I go on  
Could I find the words to tell you how I feel  
With one look from your eyes?  
I know what heaven's worth so I'd sell everything  
To hold and touch you

You're the air I breath  
The reason my heart beats  
Catch me 'cause I'm falling, I'm so lost inside your love  
Oh, can you hear me calling to your heart?  
'Cause you're the one, the reason I go on  
The reason I go on, yeah  
Baby, I'm just dreaming  
But my hope, it keeps me strong  
Oh, catch me 'cause I'm falling, I'm so lost inside your love  
Oh, can you hear me calling to your heart?  
'Cause you're the one, the reason I go on
