

# Central Cee, Good Girl

(Yeah)

I had a good girl, I messed it up for a bad bitch  
I got some hood girls, I got them ones you can't manage  
I got a lot of (Girls)  
I got a lot of (Girls)  
I got a lot of—  
Huh? Aye!

I had a good girl, I messed it up for a bad bitch  
I got some hood girls, I got them one you can't manage  
I got a lot of girls, but not one of them are average  
All of them do it well  
All of them do it well

Huh, they put it down, yeah, they put it down  
All of them put it down for me  
All of them put it down for me  
Huh, they put it down, huh, they put it down  
All of them put it down for me  
All of them put it down for me

I had a good girl, I messed it up for a Jazzy  
I got to ride for a bad girl 'cause I'm too focused on Lizzy  
Another food in my stomach  
I got girls in abundance  
Many time, you won't see me, but I'll be shining all summer  
I had a good girl, no, uh  
I'm into hood girl, wow  
But, you know I need a bad one, a bad one  
I can't have a stush girl, stush girl  
My bro quit his job, but he gon' work still  
I got kicked out four months ago, I'm on the curve still  
Couple products, they drop down and they run real  
I'm with [?] and Glossier, she a gut still, gut still

I had a good girl, I messed it up for a bad bitch  
I got some hood girls, I got them one you can't manage  
I got a lot of girls, but not one of them are average  
All of them do it well  
All of them do it well

Huh, they put it down, yeah, they put it down  
All of them put it down for me  
All of them put it down for me  
Huh, they put it down, huh, they put it down  
All of them put it down for me  
All of them put it down for me

I got a naughty bitch, she's just the only bitch  
I told her it was my birthday and now she bought me shit  
When I was broke, though, they were my only days  
They got my old hoes, tell 'em it's okay  
And I'm just being honest, we had to still be on them  
I'm with some goons, posted outside of the Chicken Cottage  
So many baddies, I give some to my lil' brother  
I'm looking like I never grew up in this lil' gutter  
Hold up, I'm back with a bang  
Chat to my gang if you wanna act like a man  
Chat like [?]  
[?]  
Talkin' my name and be a fan [?]  
Rollin', Rollin', we Rollin'  
We don't care what they say  
Get the dough and then blow

I'm throwin' racks at my bae

I had a good girl, I messed it up for a bad bitch  
I got some hood girls, I got them one you can't manage  
I got a lot of girls, but not one of them are average  
All of them do it well  
All of them do it well

Huh, they put it down, yeah, they put it down  
All of them put it down for me  
All of them put it down for me  
Huh, they put it down, huh, they put it down  
All of them put it down for me  
All of them put it down for me

I got some freaky women, yeah, she's [?]  
And they like over twenty, I know I'm seventeen  
I got a girl who pretends she's a fan but don't know my songs  
Blasting my tunes in a whip, she always get the words wrong  
I got a girl who knows all my lyrics, but always actin' shy  
With some girls who only with me 'cause right now, I'm the guy  
When my banker asking where I work, said "nowhere bitch"  
She ask how my balance so big, I said mind your biz'  
Uh, business, business, I'm a businessman  
All the real ones done did this, fam'  
Business, business, I'm a businessman  
All the real ones done did this, fam'  
All of my bad girls turn this up and go crazy, crazy, crazy  
Lemme see you clap, lemme see you shake  
Lemme see you clap and shake

I had a good girl, I messed it up for a bad bitch  
I got some hood girls, I got them one you can't manage  
I got a lot of girls, but not one of them are average  
All of them do it well  
All of them do it well

Huh, they put it down, yeah, they put it down  
All of them put it down for me  
All of them put it down for me  
Huh, they put it down, huh, they put it down  
All of them put it down for me  
All of them put it down for me
