Chaka Khan, I Fell For You

Captured effortlessly That's the way it was Happened so naturally I did not know it was love The next thing I felt was You holding me close What was I gonna do? I let myself go And now we're flyin' through the star I hope this night will last forever I've been waitin' for you It's been so long I knew just what I would do When I heard your song Filled my heart with your bliss Gave me freedom You knew I could not resist I needed someone And now we're flyin' through the stars I hope this night will last forever Oh oh oh oh CHORUS: Ain't nobody Loves me better Makes me happy Makes me feel this way Ain't nobody Loves me better than you I wait for night time to come And bring you to me Can't believe I'm the one I was so lonely I feel like no one could feel I must be dreamin' I want this dream to be real I need this feelin' I make my wish upon a star And hope this night will last forever CHORUS And first you put your arms around me Then you put your charms around me I can't resist this sweet surrender Oh my nights are warm and tender We stare into each other's eyes And what we see is no surprise Got a feeling most with treasure And a love so deep we cannot measure
