If Not Now...

If not now then when

If now today then

Why make your promises

A love declared for days to come

Is as good as none

You can wait 'til morning comes

You can wait for the new day

You can wait and lose this heart

You can wait and soon be sorry

Now love's the only thing that's free

We must take it where it's found

Pretty soon it may be costly

If now now what then

We all must live our lives

Always feeling

Always thinking

The moment has arrived
