

Charli XCX, Blame It On Your Love (feat. Lizzo)

I blame it on
I blame it on
I blame it on
I blame it on

every time you get too close
I run, I run away
every time you say the words
I don't know what to say
back to beginning
really wish that I could change
I do! /3x

I blame it on your love
Everytime I fuck it up
I blame it on your love, I do!
I blame it on your love
I can't help /2x
I blame it on your love, I do!
I blame it on your love
Everytime I fuck it up
I blame it on your love, I do!
I blame it on your love
I can't help /2x
I blame it on your love, I do!

sorry, i am a little cared
but no one ever really cared
I took you for granted
just a big misunderstanding
I jus want to spend the night
sleeping in your bed tonight
or watch a little TV
I love it when you need me

every time you get too close
I run, I run away
every time you say the words
I don't know what to say
back to beginning
really wish that I could change
I do! /3x

I blame it on your love
Everytime I fuck it up
I blame it on your love, I do!
I blame it on your love
I can't help /2x
I blame it on your love, I do!
I blame it on your love
Everytime I fuck it up
I blame it on your love, I do!
I blame it on your love
I can't help /2x
I blame it on your love, I do!

[Lizzo:]
gotta blame it on the, blame it on the
blame it on the juice
blame it on the juice
looking at my booty like you don't know what to do
baby, I know that you can't control it
but my body like a swisher, just roll it
I'm give you one chance to fall in love

give you one chance, don't fuck it this up
I'm tryna catch millions
I ain't tryna catch feelings

I blame it on your love
Everytime I fuck it up
I blame it on your love, I do!
I blame it on your love
I can't help /2x
I blame it on your love, I do!
I blame it on your love
Everytime I fuck it up
I blame it on your love, I do!
I blame it on your love
I can't help /2x
I blame it on your love, I do!
