

# Charli XCX, Break the Rules

Electric lights  
Blow my mind  
But I feel alright

And never stop, it's how we ride  
Comin' up until we die

You catch my eye  
If you wanna fly  
I'm so alive

Never stop, it's how we ride  
Comin' up until we die

I don't wanna go to school  
I just wanna break the rules  
Boys and girls across the world  
Putting on our dancing shoes  
Going to the discotheque  
Getting high and getting wrecked  
I don't wanna go to school  
I just wanna break the rules

I don't wanna go to school  
I just wanna break the rules  
Boys and girls across the world  
Putting on our dancing shoes  
Going to the discotheque  
Getting high and getting wrecked  
I don't wanna go to school  
I just wanna break the rules

I'm such a star  
Queen boulevard  
Blaze through the dark

And never stop, it's how we ride  
Comin' up until we die

I don't wanna go to school  
I just wanna break the rules  
Boys and girls across the world  
Putting on our dancing shoes  
Going to the discotheque  
Getting high and getting wrecked  
I don't wanna go to school  
I just wanna break the rules

Get my guitar  
Sunglasses on  
So light it up

And never stop, it's how we ride  
Comin' up until we die

I don't wanna go to school  
I just wanna break the rules  
Boys and girls across the world  
Putting on our dancing shoes  
Going to the discotheque  
Getting high and getting wrecked  
I don't wanna go to school  
I just wanna break the rules
