

# Charli XCX, Von dutch

It's ok to just admit that you're jealous of me  
Yeah I heard you talk about me that's the word on the street  
You're obsessing just confess it  
Put your hands up  
It's obvious I'm your number 1

It's alright to just admit that I'm the fantasy  
You're obsessing just confess it coz it's obvious  
I'm you're number 1  
I'm you're number 1  
I'm you're number 1  
Yeah

I'm just living that life  
Vondutch cult classic but I still pop  
I get money you get mad because the banks shut  
Yeah I know your little secret put your hands up it's so obvious I'm your number 1 Life !  
Vondutch cult classic in your eardrums  
Why you lying? You won't fuck unless he's famous  
Do that little dance without it you'd be nameless  
It's so obvious I'm your number 1

I'm you're number 1  
I'm you're number 1  
I'm you're number 1  
Yeah  
It's so obvious

I'm you're number 1  
I'm you're number 1  
I'm you're number 1  
Yeah It's so obvious
