

Charlie Puth, The Way I Am

maybe imma get a little anxious
maybe imma get a little shy
cuz everybody's trying to be famous
and I'm just trying to find a place to hide

all I wanna do is just hold somebody
but no one ever wants to get to know somebody
I don't even know how to explain this
I don't even think I'm gonna try

and that's ok
I promise myself one day

imma tell em all
imma tell em all that
you could either hate me or love me
but that's just the way I am
imma tell em all
imma tell em all that
you could either hate me or love me
but that's just the way I am

that's just the way I am
that's just the way I am
that's just the way I am
that's just the way I am

maybe imma get a little nervous
maybe I don't go out anymore
feeling like I really don't really deserve this
life ain't nothing like it was before

I wanna do is just hold somebody
but no one ever wants to get to know somebody
if you go and look under surface
baby I'm a little insecure

and that's ok
I promise myself one day

imma tell em all
imma tell em all that
you could either hate me or love me
but that's just the way I am
imma tell em all
imma tell em all that
you could either hate me or love me
but that's just the way I am

that's just the way I am
that's just the way I am
that's just the way I am
that's just the way I am
