## Charlotte Church, The Opera Song

I have a vision
That no one can imagine
I can see things
That no one see's

I have the wisdom Knowledge of the future I'll take you to the end of time With me

[Chorus] And its a brave new world That we live in As we lose ourselves Tonight

We have no control
Of our feelings
As we journey to the corners
Of our mind

Deep down inside me Way beyond the silence I can hear things that no one hears

Questions unanswered Better left unspoken I'll take them to the very end With me

[Chorus] And it's a brave new world That we live in As we lose ourselves Tonight

We have no control Of our feelings As we journey to the corners Of our mind

ooh.... oohh..[x2]

[Chorus] And it's a brave new world That we live in As we lose ourselves Tonight

We have no control
Of our feelings
As we journey to the corners
Of our mind

ooh.... oohh... oohh... Brave new world..
