

Cher, Jesse James

Youre struttin into town like your slingin a gun
Just a small town dude with a big city attitude
Honey are ya lookin for some trouble tonight
Well alright
You think youre so bad, drive the women folk wild
Shoot em all down with the flash of your pearly smile
Honey but you met your match tonight
Oh thats right
You think youll knock me off my feet
Till Im flat on the floor
Till my heart is crying indian and Im beggin for more
So come on baby, come on baby
Come on baby show me what that loaded gun is for

Chorus
If you can give it, I can take it
Cause if this heart is gonna break
Its gonna take a lot to break it
I know tonight
Somebodys gonna win the fight
So if youre so tough
Come on and prove it
Your heart is down for the count
And you know youre gonna lose it
Tonight youre gonna go down in flames
Just like jesse james

Youre an outlaw lover and Im after your hide
Well you aint so strong
Wont be long till your hands are tied
Tonight Im gonna take you in dead or alive
Thats right
You break the laws of love in the name of desire
Take ten steps back, cause Im ready baby aim and fire
Baby theres no way youre gonna run tonight
Ooh thats right
Well youve had your way with love
But its the end of the day
Now a team of wild horses couldnt drag your heart away
So come on baby, come on baby
Come on baby you know there aint nothing left to say

Chorus

You think youll knock me off my feet
Till Im flat on the floor
Till my heart is crying indian and Im beggin for more
So come on baby, come on baby
Come on baby, come on

Chorus

Im gonna shoot ya down jesse james
