You fell away, what more can I say?

The feelings evolved, I won't let it out

I can't replace your screaming face

Feeling the sickness inside

Why won't you die?

Your blood in mine

We'll be fine

Then your body will be mine

So many words can't describe my face

This feelings evolved, so soon to break out

I can't relate to a happy state

Feeling the blood run inside

Why won't you die?

Your blood in mine

We'll be fine

Then your body will be mine

Why is everything so fucking hard for me?

Keep me down to what you think I should be

Must you tempt me and provoke the ministry?

Keep on trying, I'm not dying so easily

I will not die

(Why is everything so fucking hard for me?)

I will not die

(Why is everything so fucking hard for me?)

I will not die

Why won't you die?

Your blood in mine

We'll be fine

Then your body will be mine

Why won't you die?

Your blood in mine

We'll be fine

Then your body will be mine
